Ancient Roman architecture adopted the external language of classical Greek architecture for the purposes of the ancient Romans [citation needed], but differed from Greek buildings, becoming a new architectural style. The two styles are often considered one body of classical architecture. Roman architecture flourished in the Roman Republic and even more so under the Empire, when the great ...

Religion in Scotland includes all forms of religious organisation and practice. Christianity is the largest faith in Scotland. In the 2011 census, 53.8% of the Scottish population identified as Christian (declining from 65.1% in 2001) when asked: "What religion, religious denomination or body do you belong to?". The Church of Scotland, a Presbyterian denomination often known as The Kirk, is ...

The CSA Newsletter was a Web-based publication produced three times per year â€” April (formerly called the Spring issue), September (formerly called the Fall issue), and January (formerly called the Winter issue). Prior to Volume X (1997-8) there were four issues per year: May, August, November, and February. An Internet distribution list was maintained for those who wished to be notified ...
